

# Dharoon Balajii

Computer Science Undergrad · Software & AI Builder

hello@dharoonbalajii.space · +91 87548 63509 · Thoothukudi, India

---

## EDUCATION

### B.Tech, Computer Science & Engineering

Vellore Institute of Technology, Vellore · 2025 – 2029

## TRAININGS & CERTIFICATIONS

### Generative AI: Introduction & Applications

IBM via Coursera · May 2026

Completed IBM's foundational course on Generative AI, covering core concepts, model families, and real-world applications across industries.

### Designing Blockchain Solutions on AWS

AWS Training Centre · Feb 2026

Built, deployed and managed scalable blockchain networks using Amazon Managed Blockchain. Designed decentralized apps on Hyperledger Fabric and Ethereum, leveraging AWS for security, identity, monitoring and scale.

### Fundamentals of Digital Marketing

Google · Feb 2026

Core digital marketing principles — SEO, SEM, content, analytics and online brand building.

### Mastercard Cybersecurity Job Simulation

Forage · May 2026

Worked through phishing email simulations and analyzed security-awareness outcomes — a hands-on look at real cybersecurity workflows and threat detection.

### SaaS Business Fundamentals

AWS Training Centre · Feb 2026

Foundations of building and scaling subscription software: product-market fit, pricing, acquisition, retention, and key metrics like MRR, ARR, CAC, LTV and churn — plus go-to-market and onboarding best practices.

## SKILLS

■ Python ■ Java ■ C++ ■ C# ■ HTML

## EXTRA-CURRICULAR

- Building **Learn Flow**, a student-focused educational platform, using AI-assisted development and rapid no-code/low-code prototyping.
- Deeply interested in SaaS products, software engineering and tech entrepreneurship — consistently turning ideas into working prototypes.
- Collaborate with peers on technical projects, product planning and problem-solving to sharpen real-world development skills.

## ACHIEVEMENTS

- Participated in a hackathon and built an **AI-powered student wellness assistant** focused on mental-health support.
- Awarded **Best Freshers** with a Rs. 2,100 cash prize for innovation and project execution.
